The KB-06X2 is a value-added desktop keyboard designed to meet the needs of your daily PC operations. It is compatible with Windows 98/2000/ME/XP; three additional ACPI power management keys provide you one touch functions for sleep, wake up and power off. This makes the KB-06X2 an affordable and functional keyboard for your PC needs.

▼ *Key Features*

- 107/108/109/110/112 keys compatible layout
- One touch access for sleep and wake up modes
- Great key structure provides you excellent finger tactile comfort
